

Int'l Appl. No. : PCT/NZ2004/000184
Int'l Filing Date : August 13, 2004

REMARKS

Claims 3-11 and 13-23 have been amended, Claims 24-46 have been cancelled without prejudice, and new Claim 51 has been added. As a result, Claims 1-23 and 47-51 are presented for examination. Support for the amendments to the claims and new claims can be found in the Specification and claims as filed. As a result, no new matter is being added herewith.

There were two "Claim 4's" in the amended pages of claims found in International Preliminary Report on Patentability. Accordingly, Applicant has renumbered the claims consecutively and amended the claim dependencies according to the newly numbered claims.

CONCLUSION

In view of the foregoing amendments and comments, it is respectfully submitted that the present application is in condition for immediate allowance and such action is earnestly solicited. Nevertheless, if any undeveloped issues remain or if any issues require clarification, the Examiner is respectfully invited to contact the undersigned at the telephone number appearing below.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
